

# Data Privacy Statement

(July 12, 2017)

Thank you for your interest in our website. It is very important to us that your privacy is adequately protected. At this point, we want to inform you about the handling of your data by our company.

## **Access data in server log files**

You can use our website without having to give personal information about yourself. Access data is the only the information stored in our server log files. These files include information such as name of the file, and the date and time of the last usage. The amount of data transmitted and the requests provided are stored accordingly. This data is used to improve operations of our website. There will be no conclusion drawn about your person.

## **Data collection and its use for contract processing**

Your personal data will only be collected if you send it voluntarily via email as part of the contact form provided. The data you provide will be collected as a result of the respective input form. The data you provide will be used solely for contract processing. After your data has been processed, it will be stored for further use and will be immediately deleted after the fiscal and commercial storage periods. So long as you have not given further consent to maintain your data or in cases where we require additional data, we reserve the right to maintain the data where legally permitted.

## **Use of cookies**

We use cookies to ensure that your visit to our website is as convenient as possible, and the usage of certain functions is possible. These are small text files that are stored on your device. Some of the cookies that we use are deleted after you close your browser (so-called session cookies), other cookies remain on your device and allow us to recognize the browser on your next visit (persistent cookies). It is possible for you to configure your browser to inform you about the use of cookies and decide individually about the acceptance or refusal of these cookies in certain cases or in general. However, in case of refusal of cookies, the functionality of our website may be restricted.

### **Right of information and contact possibilities**

You have the right to free information regarding the data stored in our company about your person, as well as the possible right of rectification of the stored data or deletion certain data.

If you have any questions, please contact:

SpaceTech GmbH  
represented by Wolfgang Pitz (CEO)  
Seelbachstraße 13  
D-88090 Immenstaad

### **Statistics with PIWIK**

This website uses PIWIK, a web analytics open-source software. PIWIK uses "cookies", which are text files placed on your computer, to help the website analyze how users use the site. The information generated by the cookie about your use of the website (including your IP address anonymized prior to its storage) will be stored on local servers in Germany. You may refuse the use of cookies by selecting the appropriate settings on your browser. However please note that if you do this you may not be able to use the full functionality of this website.
